

## Installation & setup of X-charge for a network.

### Setup for each computer that will clear credit cards.

Add the following to the computer AUTOEXEC.BAT (if Win 98) AUTOEXEC.NT (if NOT Win 98) file.

1. **SET ICPATH=<PATH>** The path is where POWER POS software is located and it **must** end with a '\'.  
Example: **C:\POWER\**
2. **SET ICTERM=???** Each computer MUST have a unique 3 digit number.  
Starting at 001  
Example: **SET ICTERM=001**
3. **SET ICTO=90** This sets the response timeout to 90 seconds (Optimal)
4. **RESTART THE COMPUTER**

### Setup for the X-Charge Server computer

Identify one computer, on the network, with a modem, to process the X-Charge transactions.

1. Install X-Charge software; during the install select "Single User/Server - Use modem on this computer."
2. Click the new X-Charge icon on the desktop, then click on "File, Setup", under "GENERAL" make sure that "Single User/Server - Use modem on this computer." is selected, and then click "Exit".
3. Click on "File, X-Charge Server", then click on "File, Setup".
4. Under "GENERAL", "Startup", make sure that "Run X-charge Server at startup" is selected.
5. Under "GENERAL", "Transaction Folder", click on the ellipsis and navigate to the "power" folder, (ie. C:\power, P:\retail~1,etc)
6. Select the "Credit Card" Category, click on the "Settlement" tab, under the "Host/Time Initiated Settlement" pick appropriate backup and settlement times.
7. Click on the "Connection" tab, under "Modem Information", select your modem.
8. Under "Merchant Information", Select the Bank ID (assigned by X-Charge), and type in the "Terminal ID" (assigned by X-Charge).
9. Click on "Exit", and the setup window will close.
10. Click "Hide" on the X-Charge Server Window.
11. Start POWER POS
12. Go to "SALES MAINTENANCE", "MAINTAIN STATION" (*Press F2 to select each sales station that will be clearing credit cards*), PRESS ALT&T (*for tendering information*). Go to each of the credit card tendering lines and at the column "S" enter "Y" for signature line, at the "C" column enter a "C" for credit card.
